PLEASE READ CAREFULLY AND RETAIN FOR FUTURE USE: This Agreement is between EML Payments Europe Ltd., and the Cardholder. This Agreement accompanies your Gift Card, and states the terms and conditions governing the use of your Gift Card, the latest version of which is posted online at www.getmybalance.com.

The Terms and Conditions within this agreement may change from time to time as required by, EML, the Shopping Centre or applicable law. To ensure your Cardholder Agreement is up to date please visit www.getmybalance.com or call +49 (0)841 88 63 100 to request a copy.

Definitions. As used herein, "Cardholder" refers to the Purchaser of the Gift Card and all subsequent holders of the Gift Card, known or anonymous. "Gift Card" means the Gift Card that is accompanied by this Agreement. "Purchaser" means the original purchaser of the Gift Card. "Retailer" means a retail store or location which is authorised to accept the Gift Card. "EML" means EML Payments Europe Ltd. "Shopping Centre" means the shopping centre identified on the Gift Card. "We" and "us" and "our" refers to EML. "You" and "your" refer to the Cardholder.

The Gift Card. Your Gift Card is a pre-paid, single-load stored value card issued by EML. It is not a credit card. It cannot be reloaded with additional funds or value. Except as provided in this Agreement or required by law, your Gift Card is usable only to purchase goods and services and is only redeemable in accordance with this Agreement, and may not be used at a cash machine.

Gift Card Use. Purchaser may pre-pay and load up to a €500 value onto the Gift Card to be used for future purchases of goods or services at Retailers. The Gift Card may be used up to, but not above, the available balance. When the Gift Card is purchased, the initial available balance of the Gift Card will be the prepaid and activated value of the Gift Card. This initial available balance will be reduced by the amount of each purchase of goods or services; by the assessment of applicable fees described in this Agreement; and by other deductions, if any, required by law or this Agreement. No interest, dividends, or other earnings will accrue or will be due, paid or credited to any Cardholder on the balance of the Gift Card. The Gift Card will automatically terminate when it has a zero balance. After the Gift Card is terminated, transactions on the Gift Card will be declined.

Transactions below or above the Gift Card Balance. If your Gift Card is used to make a purchase below the available balance, the remaining balance after purchase will not be paid in cash to Cardholder by the Retailer but may be used to purchase other goods or services at a Retailer. Purchases in an amount above the balance of the Gift Card will be declined by a Retailer. To make such a transaction, Cardholder must combine the use of the Gift Card with another acceptable form of payment. Some Retailers may refuse to facilitate such split transactions. You agree and understand that we are not responsible for the refusal of a Retailer to accept the Gift Card in a split transaction.

Limitations on Use. The Gift Card is not and cannot be used as a credit card, credit line, overdraft protection, or a generally accepted debit card or deposit account. The Gift Card cannot be used to pay for tips or gratuities, to make purchases that exceed the available balance of the Gift Card account, to make payment on any account or loan, or to make recurring payments. You agree not to use the Gift Card at any non-participating or unauthorised retail locations, and not to use the Gift Card for any illegal transaction.

Statements and Balance Enquiries. You will not be sent any statements concerning the Gift Card. You may enquire about the purchase date, available balance, and transaction history of the Gift Card by telephone at +49 (0)841 88 63 100 or online at www.getmybalance.com.

Expiration. The Gift Card will expire 36 months after the date of activation after which it cannot be used or redeemed. After the

expiry date you may in certain circumstances be eligible to request a replacement card outlined at Expired Cards clause below.

Lost, Stolen or Damaged Gift Cards. You will be responsible for all transactions associated with the Gift Card, including any unauthorised transactions that may result if the Gift Card is lost or stolen. **You should treat the Gift Card like cash. If the Gift Card is lost or stolen, you may lose the stored value.** If your Gift Card is lost, stolen or damaged you should contact the Shopping Centre immediately at +49 (0)841 88 63 100. You will not be liable for any Gift Card transactions which take place after you have informed us of the loss or theft of the Gift Card. If your card is lost or stolen or you failed to keep the security features of your Gift Card safe from misappropriation but took reasonable steps to do so, your maximum liability will be limited to €50 but otherwise you may be liable for the whole loss. If the circumstances and evidence available to us at the time that you bring an unauthorised transaction to our attention demonstrate that the debit was in fact authorised by you, and you still wish to continue to dispute the transaction as unauthorised, then we shall have the right to request that you provide additional written information and a statement signed by you. You may be prosecuted in the event that you bring any fraudulent claim for an unauthorised transaction against us. If any subsequent investigations by us show that any disputed transaction was in fact authorised by you, or the proviso conditions set out in these terms and condition apply, we will not refund the transaction amount. Subject to the restrictions stated herein, you may request a replacement Gift Card at the Shopping Centre. A replacement Gift Card will not be issued unless you present adequate proof of purchase, the entire Gift Card number, the damaged Gift Card in the case of a damaged card, and your full identification. Requests to replace a Gift Card may be denied by the Shopping Centre or EML, in either's discretion, if we suspect fraudulent or other unlawful activity. If the replacement is approved, a new Gift Card will be issued in the amount of the available balance, if any, of the lost or stolen Gift Card in accordance with the conditions above. You may be charged a Card Replacement Fee. You agree and acknowledge that EML and Shopping Centre will bear no responsibility or liability for the use of a lost or stolen Gift Card if you are in breach of these terms and conditions.

Fees and Charges. The following fees and charges apply to your Gift Card:

Purchase or Handling Fee. A fee may be charged to Purchaser for the purchase and activation of the Gift Card in the amount disclosed to the Purchaser at the time of purchase.

Card Replacement Fee. If a replacement card is issued as a result of a lost, stolen or damaged card, a card replacement fee being appropriate and in the line with the actual costs may be charged to the Cardholder in the amount stated on the back of the Gift Card.

Redemptions and Card Redemption Fee. If you elect to redeem your Gift Card for cash, a card redemption fee will be charged in the amount described below. You may redeem the available balance of the Gift Card account at any time, subject to the following terms. To request a redemption, you must present the Gift Card in person at the Shopping Centre where the Gift Card was purchased, together with a redemption form completed by you. You also will be required to present full identification along with evidence of your entitlement as the Cardholder. A redemption fee of €10 will be due and payable by Cardholder at the time of redemption, and will be deducted from the redemption remitted to you. The redemption will be remitted to you by transfer to your bank account in accordance with the instructions provided by you in the redemption form. A request for redemption may take up to thirty days to process, though we will make reasonable efforts to process the request sooner.

Expired Cards. Following the expiry of your card you will have a further 12 months in which to request a replacement card in person from the Shopping Centre. This replacement card will be activated with the value of the funds remaining on your expired card and will be valid for a further 36 months from the date of activation. If more than 48 months has elapsed from the date of the original card activation the funds in your Gift Card account cease to be valid when your card expires and you will lose all rights to those funds.

Privacy and Disclosures to Third Persons. Your Gift Card is not held on a personal basis and may be held on an anonymous basis. Your Gift Card may be used without identification by the card holder. You agree and acknowledge that we may disclose information about the Gift Card to our affiliates, our service providers, our accountants and auditors, the Shopping Centre, the Retailers and others who assist us in providing the Gift Card and related services. that originated from the Gift Card when such information is aggregated with other information and not specifically identifiable with the Gift Card.

Personal Data. We may collect information and take actions necessary to verify your identification. Your personal data will at all times be processed fairly and lawfully in accordance with the principles of the Data Protection Act 1998 (or other applicable data protection legislation). You are aware that – to the extent permitted by law – the Shopping Centre may (i) retain and process all personal information given by you to the Shopping Centre in connection with your purchase and use of the Gift Card for purposes including data analysis, to personalise and improve the shopping experience at the Shopping Centre, and to communicate with you about products, services and promotional offers (and that the Shopping Centre may record this information both manually and/or on a computer database and will be the data controller for this information), (ii) disclose and transfer this personal information to EML as its data processor for processing, including possibly processing such data outside the European Economic Area, and (iii) release personal information when appropriate to comply with the law; enforce or apply this Cardholder Agreement, which includes exchanging information with other companies and organisations for fraud protection and risk reduction.

Program Termination. The Shopping Centre's Gift Card program may be terminated. If your Gift Card cannot be used after such termination, you will be entitled to surrender and redeem your Gift Card in the amount of the available balance of the Gift Card account at the time of the redemption. Until the Gift Card is surrendered or until the balance of the Gift Card Account reaches zero, all fees will continue to apply. Enquiries concerning surrenders and redemptions should be made by calling Shopping Centre at +49 (0)841 88 63 100.

Retailer Disputes, Returns and Exchanges. When you use the Gift Card, the Retailer should provide you with a receipt similar to that provided with a credit or debit card transaction. Please check the receipt to verify the transaction amount. If the amount is incorrect, you should notify the Retailer to correct the error. If you have a problem with a purchase or a dispute with a Retailer, you must deal directly with the Retailer. The Retailer is not an affiliate or agent of EML, or Shopping Centre. You agree and acknowledge that EML and Shopping Centre are not responsible for the goods or services purchased with the Gift Card. Furthermore, any returns or exchanges will be governed by the policies of the Retailer and applicable law. You may be required by a Retailer to present the retail receipt and the Gift Card when returning merchandise. Any credit to the Gift Card resulting from a return or exchange may not be available for use by you for up to ten (10) business days. A credit to a Gift Card with a zero balance will reinstate the Gift Card. Any reinstated Gift Card will be subject to the terms and conditions of this Agreement.

Errors, Locks, and Enquires. We reserve the right to correct the balance of your Gift Card account if we believe that a clerical or accounting error has occurred. We also reserve the right to lock your Gift Card or revoke the card if we suspect fraud or other unlawful activity, or if we do not receive funds from Purchaser in the full amount of the activated balance of the Gift Card.
