*Silk Studio, tucked away in a building with the cultural characteristics of a classic Shanghai house on Avenue Steichen Street, is not just a regular silk store. In addition to selling exquisite handmade silk products, Silk Studio is also dedicated to reviving traditional Chinese craftsmanship and educating its visitors about the fine art of silk crafts by providing tourists with hand-painted silk scarves, grass wood dyeing and other experiences. Here you can experience at first hand the history and cultural heritage of Chinese silk through personalised study and practice.

†Located on Boulevard Russolo, MADE BY CHINA boasts a unique hybrid aesthetic – beyond its European exterior lies a new style of Shanghai. Designed by Shanghai-based Lukstudio Zhi Design Studio, MADE BY CHINA is a cutting-edge visual presentation of the collision between Eastern and Western culture. As a boutique, MADE BY CHINA showcases the works of 17 local designers, whose creations are inspired by different aesthetics. Rich and colourful, they showcase the essence of contemporary Chinese fashion from different angles. Terms and conditions apply. © 2019 Copyright licensed to TBVSC LLC 06/19 4836
