BICESTER OUTLET VILLAGE

INNOVATION INSPIRED BY NATURE

Achieving 100% sustainability is hard. Creating a net positive impact on the environment will be even harder. But it is what we intend to do by 2030.

WHAT IS OUR VISION?

We believe a greener future is a better future. So, we've set a bold innovation vision: we will design net positive products - giving back to Nature more than we take.

We are pursuing our vision through two paths found in Nature - regeneration and circularity.

WHAT IS NET POSITIVE?

We've always tried to lessen our environmental impact. However, we know we can do better – to leave Nature better than how we found it.

One way is to pull more carbon out of the air than we emit. We can also improve biodiversity, water quality and farmer wellbeing.

WHAT IS REGENERATIVE?

Nature has the power to regrow. We can help by sourcing from regenerative agriculture farms.

Regenerative farming mimics Nature. Animals graze in natural patterns, while planting diverse crops replicates nature's diversity. The land gets to rest, pull carbon out of the air and create healthy, hydrated, fertile soil.

WHAT IS CIRCULARITY?

In Nature, everything has a use and a reuse– nothing goes to waste. That's how we think when we design.

We use recycled materials that would otherwise go to waste. And we're starting to design products that can be recycled, so they won't make a negative impact and ultimately achieve zero waste.

NATURE NEEDS HEROES™

WELCOME TO VIRTUAL SHOPPING

Timberland is pleased to offer you an exclusive one to one Virtual Shopping experience, allowing you to shop our iconic products from the comfort of your home.

HOW IT WORKS?

CONTACT US
Timberland staff will be delighted to arrange a private virtual appointment.

YOUR APPOINTMENT
Your Virtual Shopping appointment will either take place over the telephone, as a video call or by email.

DELIVERY
Your purchase will be made securely and shipped directly to you. Delivery is free and available within the UK except Northern Ireland.

RETURNS
30 days with the options for postal return.
