SOUP OF THE DAY 5.25

our homemade soup made from scratch served with brown bread

We aim to offer you the very best specialty coffee available, sourced from small independent craft roasters in Ireland and across Europe. Small cup culture is our foundation, and we're certain that using the right recipe for each coffee makes for a more delicious tasting beverage. We use the finest organic Irish milk, sweet and rich. Our milk is served at 65 degrees for the perfect taste and texture. Like it a bit hotter? Or like your coffee served in a particular way? Please do tell, and we'll be more than happy to oblige. Enjoy your
