

A woman is shown from the chest up, wearing a white, textured robe. Her hands are raised in front of her, palms facing each other, with a small amount of white cream or lotion visible between her fingers. The background is a soft, out-of-focus sunset or sunrise over a body of water, with warm orange and yellow tones. The overall mood is serene and natural.

Nature matters. People matter.

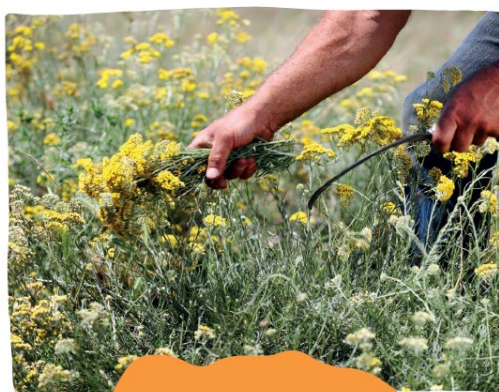

That is why L'OCCITANE has 6 clear commitments, focused on protecting our precious planet and treating people with respect.
