//FALL/WINTER 2019 COLLECTION

Pour la collection Hiver 2019, le studio Sandro Homme construit un vestiaire à mi-chemin entre un tailoring formel et la spontanéité de la rue.

Le tailoring est travaillé avec une nonchalance toute parisienne. Les costumes en laine deux ou trois boutons sont portés sans être trop apprêtés, avec un tee-shirt ou un col roulé. Au pied, des boots en cuir noir ou des derbies à semelle rainurée donnent le tempo aux manteaux trois-quarts en drap de laine. L'obsession pour les rayures business est récurrente, mais elles sont déclinées avec décontraction. Les emmanchures raglan et denims stonewashed affirment l'aisance de l'allure. Le studio prend à contrepied les codes bourgeois d'un vestiaire parisien et fait vibrer les motifs chevrons et pieds de poule à la manière d'un Morrissey. L'élégance populaire de l'ex-leadeur des Smiths se conjugue à l'authenticité d'un vestiaire workwear. L'homme Sandro enfle spontanément pull camionneur, pull en grosse maille tricotée main et surchemise de bucheron. Il joue avec le volume de blousons aviateurs, oversize ou plus ajusté. Son bleu de travail est en denim et se porte avec une marinière col montant. Sa veste en velours côtelé ou en jean affiche une doublure shearling écriue. Et quand il opte pour une couleur tranchante, c'est pour un vert électrique ou un rose smarties. La volonté stylistique s'inscrit dans le langage constant de la marque qui fond les références vintage ou de culture de rue, dans une esthétique pure et actuelle. Le studio mêle tradition et modernité dans une élégance racée.

For the Winter 2019 collection, the Sandro Man studio has put together a wardrobe halfway between formal tailoring and the spontaneity of the street. The tailoring is crafted with a distinctly Parisian nonchalance. The two or three- button wool suits are worn -without interruption -with a t-shirt or turtleneck. On the feet, black leather boots or derbies with a grooved sole set the tempo for three-quarter length wool cloth coats. There is a recurrent obsession with business stripes, but they are given a casual feel. Raglan armholes and stonewashed denim affirm the look's easy vibe. The studio wrong-foots the bourgeois codes of a Parisian wardrobe and brings herringbone and houndstooth check motifs to life, in the style of Morrissey. The working-class elegance of The Smiths' former frontman goes hand in hand with the authenticity of a workwear wardrobe. The Sandro man spontaneously slips on a zip roll neck, a chunky hand-knit jumper and a lumberjack overshirt. He plays with the volumes of aviator jackets, whether oversized or more fitted. His overalls are made of denim and worn with a high-neck sailor jumper. His corduroy or denim jacket features an ecru shearling lining. When he's looking for a striking colour, he plumps for electric green or vivid pink. The style direction falls in line with the brand's consistent vocabulary, merging vintage or street culture references with a pure, up-to-the-minute aesthetic. The studio blends tradition and modernity with a refined elegance.
