MODERN FRICTION

OP6C01
MODERN FRICTION™
Nature's Gentle Dermabrasion

Sand-blasting skin with coarse, chemical crystals? How painfully passé. Here's age-smoothing exfoliation without irritation. Skin-refining Rice Starch, cushioned in cream, shows real affinity for rapidly removing sluggish cells, uneven patches and signs of skin damage and discolorations. Lemon Oil kick starts the process of illumination. Another age-sweeping action: skin-menacing molecules are mopped up. All while Aloe keeps skin calm and comfy. There's no ouch, extra steps or other complications. The before-and-afters are amazing. Signs of fine lines appear to shrink in size. Skin looks perfectly polished, smooth and luminous. And the perk-me-up aromas of Bergamot and Peppermint help you look on the bright side.
